

LAB ANALYSIS
W91ZRS-04-Q-0009
AMENDMENT 1

June 14, 2004

This solicitation is amended to provide the following information:

Question 1 - Will subcontracting be allowed for Volatile Organics drinking water by Method 525 (Line item #2) and BTU content (page2)?

Response to Question 1 - Yes

Question 2 - What is the extent of sampling that will be required by the laboratory? does it include storm water sampling?

Response to Question 2 - No sampling will be required by the laboratory.

Question 3 - Is this a 100% set-a-side for small business under NAICS code 541380, or may larger companies also bid?

Response to Question 3 - It is not 100% set-a-side. Large business may bid.

Statement of Work, Paragraph 8B, is amended from:

The Government anticipates awarding this contract for a period of one (1) year, with two one-year options to extend. The total contract period shall not exceed 36 months. The initial contract year will be May 1, 2004 through April 30, 2005. Option contract years will run successive to the base year.

To read:

The Government anticipates awarding this contract for a period of one (1) year, with four one-year options to extend. The total contract period shall not exceed five years
